EDUCATION

2003-2007 - PhD Archaeology, University of Sydney, Australia

Thesis: *Arteries of Empire: An operational study of transport and communication in Angkorian Southeast Asia (9th to 15th centuries CE)*

1997-2001 - Master of Arts Archaeology, University of Calgary, Canada

Thesis: *Design analysis of Chihuahuan polychrome jars from North American museum collections*

1990-1995 - Bachelor of Arts (Honours) Archaeology, University of Calgary, Canada

Thesis: *Contact Iconography: Determination of cultural agents through representative art on the South Coast of Peru*

RESEARCH INTERESTS

Angkor and the Khmer Empire; landscape archaeology; premodern state expansion; material and technological catalysts; Southeast Asia; iron metallurgy; Geographic Information Systems; transportation systems; Buddhism and the archaeology of religion; Hopewell-Mississippian transition

CURRENT POSITIONS

2022-present Review Editor, *Frontiers in Human Dynamics*

2020-present Director of Graduate Studies, Department of Anthropology, University of Illinois at Chicago

2017-present Associate Professor, Department of Anthropology, University of Illinois at Chicago

2011-2017 Assistant Professor, Department of Anthropology, University of Illinois at Chicago

2011-present Adjunct Curator, Department of Anthropology, The Field Museum of Natural History

2014-present Honours College Fellow, University of Illinois at Chicago

Declined Associate Editor for Southeast Asia, *Archaeological Research in Asia*. January 2022.

CURRENT PROJECTS

2009-present Director, Industries of Angkor Project (INDAP)

2014-present Co-Director, Iron and Angkor Project (IRANGKOR)

2014-present Co-Director, Two Buddhist Towers Project (TBT)

2021-present Co-Director, Tallgrass Prairie Archaeological Landscape Project (TPALP)

RECENT POSITIONS

2023- present Review Editor, *Institutions and Collective Action*, *Frontiers In Human Dynamics*

2009- 2011 Postdoctoral Fellow and Director, *Australian Research Council Discovery Project: Industries of Angkor Project*. University of Sydney.

2008 Associate Lecturer, Department of Archaeology, University of Sydney (July to December 2008).

2008 Postdoctoral Fellow. *American Council of Learned Societies / Henry Luce Foundation Postdoctoral Fellowship in East Asian Archaeology and Early History*. University of Calgary (January to July 2008).

2007-2011 Research Associate, *Greater Angkor Project*, University of Sydney, Australia.

2007-2015 Research Affiliate, *HeritageWatch*, Phnom Penh, Cambodia.

GRANTS AND AWARDS**Major Research/National and International Grants**

2018 *National Geographic Committee for Research and Exploration*. Investigating the role of strategic resources in the rise and fall of the Kingdom of Bagan 9th -14th c. AD, Myanmar. Kalayar Myat Myat Htwe, Pira Venunan, Bob Hudson, T. Oliver Pryce, Stéphanie Leroy and Mitch Hendrickson. US\$24,636. December 2018 to March 2019.
Role – Partner Investigator.

2016 *National Science Foundation Senior Research Grant (1550850)*. ‘Industries of Angkor Project: The Role of Resource Control in the Rise of Social Complexity. Mitch Hendrickson with Stéphanie Leroy, Lisa Tauxe, Cristina Castillo, Quan Hua and Phon Kaseka. US\$247,294. January 2016 to September 2020.
Role – Principle Investigator.

Australian Research Council Discovery Project (DP170102574). Urbanism after Angkor (14th-18th century): Re-defining Collapse. Roland Fletcher, Dan Penny, Martin Polkinghorne, Damian Evans, Christophe Pottier, Mitch Hendrickson, Miriam Stark, Louise Cort, and Ashley Thompson. AU\$ 787,945 (~US\$605,000). January 2017 to December 2019.
Role – Partner Investigator.

2014 *L’Agence Nationale de la Recherche (ANR)*. ‘Iron and the Angkorian Empire: an integrated, multidisciplinary approach to evaluate the role of ferrous metallurgy in the expansion of the Angkorian Khmer Empire, Cambodia (9th to 15th c. CE)’. €491,000 (~US\$659,000). January 2015 to December 2017.
Role – Co-Principle Investigator with Stéphanie Leroy (CNRS, France).

Silver Circle Award for Teaching Excellence. University of Illinois at Chicago. Award given to six teaching faculty across the UIC campus as chosen by senior undergraduate students.

Robert H. N. Ho Family Foundation/ACLS Collaborative Research Grants in Buddhist Studies. ‘The Two Buddhist Towers: A multi-scalar evaluation of the practice, change, and function of Buddhism at the regional Angkorian center of Preah Khan of Kompong Svay, Cambodia (10th to 17th c. CE)’. Mitch Hendrickson, Christian Fischer with Dominique Soutif, Julia Estève and Cristina Castillo. US\$141,550. August 2014 to December 2016
Role – Co-Principle Investigator with Christian Fischer (UCLA).

2010 *Australian Institute of Nuclear Science and Engineering Awards*. ‘Industries of Angkor Project: Documenting the history, scale and environmental impact of iron production during the Khmer Empire (11th to 15th c. CE), Cambodia’. Mitch Hendrickson, Dan Penny, Colin Cooke and Quan Hua. AU\$10,175 (~US\$9,960)
Role – Principle Investigator.

2009 *Australian Research Council Discovery Project Grant (0987878)*. ‘Industries of Angkor Project: Material Production and the Decline of the Khmer Empire (11th to 15th centuries CE)’, held at University of Sydney, January 2009 to December 2011. Mitch Hendrickson, Christophe Pottier, Hans Leisen, Duncan Cooke, and Quan Hua. AU\$329,000. (~US\$296,900). February 2009 to August 2011.
Role – Principle Investigator and Postdoctoral Fellow.

National Geographic Committee for Research and Exploration Grant. ‘Industries of Angkor Project: Material Production and the Decline of the Khmer Empire (11th to 15th centuries CE)’. Mitch Hendrickson, Colin Cooke, Dan Penny, Quan Hua. US\$18,250
Role - Principle Investigator.

2008 *American Council of Learned Societies / Henry Luce Foundation Postdoctoral Fellowship in East Asian Archaeology and Early History*. ‘Angkorian Dharmasala Project: Research on Medieval Southeast Asian Transport Infrastructure’, held through the University of Calgary between January and August. US\$25,600.
Role - Principle Investigator and Postdoctoral fellow.

2003 *Social Sciences Humanities Research Council of Canada Doctoral Fellowship*, for September 2003 to September 2007. PhD fellowship. CDN\$76,000 (~US\$62,320)

International Postgraduate Research Scholarship, University of Sydney, for July 2003 to July 2007. PhD tuition scholarship. AU\$48,000 (~US\$36,000)

International Postgraduate Award, University of Sydney, for July 2003 to July 2006. PhD scholarship. AU\$63,000 (~US\$47,250).

Applied, Not funded

2021 *National Endowment for the Humanities (NEH)*. 'Histories of Intersections: A Collaborative Conceptualization of the Anthropology of Rest along Road Networks'. Rodrigo Solinis-Casparius, Tarini Bedi and **Mitch Hendrickson**. Requested funds \$161,685. Submitted Sept 28, 2021.
Role – Collaborator

2020 *National Endowment for the Humanities (NEH)*. 'Stopping along the way: A comparative archaeological and ethnographic investigation of rest and resting places along global roads'. Rodrigo Solinis-Casparius, Tarini Bedi and **Mitch Hendrickson**. Requested funds \$149,000. Submitted Sept 30, 2020.
Role - Collaborator

Other Research Grants and Awards

2023 Negaunee Foundation. Parkinson, William A., Jamie Kelly, and Mitch Hendrickson. Tallgrass Prairie Archaeological Landscapes Project: Midewin National Tallgrass Prairie Consortium. To conduct archaeological research at the MNTP. US\$50,000.

2015 *College of Liberal Arts and Sciences and Institute of Humanities Faculty Research Award*, University of Illinois at Chicago. To conduct archival research at the EFEO Paris and present at Emergence of Theravada symposium, SOAS, London, UK and the 15th EurASEAA conference in Nanterre, France. US\$4900.

Best Anthropology Professor Award. Anthropology Club, University of Illinois at Chicago.

2014 *College of Liberal Arts and Sciences Junior Faculty Travel Award*, University of Illinois at Chicago. To attend the International Symposium on Archaeometry, Los Angeles, California. US\$1000.

College of Liberal Arts and Sciences Junior Faculty Travel Award, University of Illinois at Chicago. To present at the Chacmool Archaeology Conference, University of Calgary, Canada. US\$700.

2013 *College of Liberal Arts and Sciences Foreign Travel Award*, University of Illinois at Chicago. To present at the Indo-Pacific Prehistory Association meeting, Siem Reap Cambodia, January 2014. US\$1000.

College of Liberal Arts and Sciences Junior Faculty Travel Award, University of Illinois at Chicago. To present at the Indo-Pacific Prehistory Association Meeting, Siem Reap Cambodia, January 2014. US\$1000.

College of Liberal Arts and Sciences Junior Faculty Travel Grant, University of Illinois at Chicago. To present at the Chacmool Archaeology Conference, University of Calgary, Canada. US\$1000.

College of Liberal Arts and Sciences Undergraduate Research Initiative. Supervisor for Undergraduate Research Project. US\$1000.

2012 *Campus Research Board Pilot Grant*. 'Industries of Angkor Project: Using iron technological

- traditions to identify the role of ethnic minorities in the development and collapse of Cambodia's pre-colonial states (7th to 20th centuries CE). US\$20,000
- Research Grant Support Program-Social Sciences*. OSSR. University of Illinois at Chicago. 'Tracking the Invisible 'Other': Using LiDAR to identify archaeological evidence of ethnic minorities within the Khmer Empire (9th to 15th centuries AD), Cambodia. US\$10,000.
- Seed Grant Competition*. OSSR. University of Illinois at Chicago. 'Tracking the Invisible 'Other': Using LiDAR to identify archaeological evidence of ethnic minorities within the Khmer Empire (9th to 15th centuries AD), Cambodia. US\$5000.
- College of Liberal Arts and Sciences Junior Faculty Travel Grant*, University of Illinois at Chicago. To present at the Society for American Archaeology Conference in Honolulu, Hawai'i. US\$1000.
- College of Liberal Arts and Sciences Foreign Travel Grant*, University of Illinois at Chicago. To present at the European Association of Southeast Asian Archaeology Conference in Dublin, Ireland. US\$800.
- College of Liberal Arts and Sciences Junior Faculty Travel Grant*, University of Illinois at Chicago. To present at the European Association of Southeast Asian Archaeology Conference in Dublin, Ireland. US\$1000.
- College of Liberal Arts and Sciences Foreign Travel Grant*, University of Illinois at Chicago. To undertake field research in Phnom Penh, Cambodia. US\$800.
- College of Liberal Arts and Sciences Junior Faculty Travel Grant*, University of Illinois at Chicago. To present at the Society for American Archaeology Conference, Memphis, USA. US\$1000.
- 2011** *College of Liberal Arts and Sciences Junior Faculty Travel Grant*, University of Illinois at Chicago. To present at the Chacmool Archaeology Conference, University of Calgary, Canada. US\$1000.
- Friends of Khmer Culture*. Funds obtained for Cambodian presenters to attend the 17th Indo-Pacific Prehistory Association Congress, in Hanoi, Vietnam (Nov 29-Dec 6). US\$1840.
- GeoEye Foundation*. Orbview-3 remote sensing imagery obtained for the Industries of Angkor Project, May.
- 2006** *University of Sydney Postgraduate Travel Grant*, University of Sydney, Sept AU\$1100 (~US\$825).
- Carlyle Greenwell Bequest Grant*, University of Sydney, May. AU\$2472 (~US\$1854).
- Postgraduate Research Support Scheme Award*, University of Sydney, May. AU\$1462 (~US\$1097).
- PhD Research Travel Grant Scheme* University of Sydney, May. AU\$1894 (~US\$1420).
- 2004** *Postgraduate Research Support Scheme Award*, University of Sydney. AU\$2000 (~US\$1500).
- Presentation Award (3rd place)*. 5th Association of Pacific Rim Universities Doctoral Students Conference, University of Sydney, August 12. AU\$200 (~\$145).
- Carlyle Greenwell Bequest Grant*, University of Sydney, May and August. AU\$3208 (~US\$2343)
- 2000** *University of Calgary Graduate Thesis Improvement Grant*. CDN\$1800 (~US\$1200)

- 1999** *University of Calgary Graduate Travel Grant*. CDN\$1000 (\$US680).
Province of Alberta Graduate Scholarship, for May 1999 to April 2000. Tuition and Research award. CDN\$500 (~US\$335).
- 1994** *Northern Scientific Training Grant from the Arctic Institute of North America*, for June to July. CDN\$1500 (~US\$1010).
- 1993** *Alumni Association of the University of Calgary Bursary*. CDN\$500 (~US\$395).

SYMPOSIA AND MEETING ORGANIZATION

-
- 2015 Session Organizer. Archaeologies of Religion: Material Approaches to the Study of Belief Systems in Southeast Asia at the 15th International Conference of the European Association of Southeast Asian Archaeology, Nanterre, France. July 6-10.
- 2014 *Session Organiser*. New perspectives on the Khmer Empire: Origins, Expansions and Collapse at the 20th Indo-Pacific Prehistory Association Congress, Siem Reap Cambodia. January 12 to 18.
- 2013 *Symposium Organiser and Chair*. Old Borders and New Frontiers: Doing Historical Archaeology in Southeast Asia at the 78th Society for American Archaeology Meetings, Honolulu, Hawai'i. April 3-7
- 2012 *Session Organiser and Chair*. Historical Archaeology of the Khmer Empire: Challenges and New Perspectives session at the 14th International Conference of the European Association of Southeast Asian Archaeologists Conference, Dublin, Ireland. September 19-21.
- 2011 *Conference Organizer*. Archaeology in Cambodia: Current Research and Future Prospects. Conference and Workshop. Siem Reap, Cambodia. March 5-7, 2011.
- 2010 *Session Organizer and Chair*. Beyond Angkor: Recent archaeological research at provincial Khmer settlements, 13th International Conference of the European Association of Southeast Asian Archaeologists, Berlin, Germany. September 27 to October 1.
- 2009-10 *Organizer and Discussant*. Angkor Research Program Talks Series. University of Sydney, July 2009 to August.
- 2009 *Symposium Organizer and Chair*. University of Sydney Cambodian Research Symposium, Siem Reap. December 6.
Session Organizer and Chair. Making Artefacts, Building Landscapes: archaeological studies of material production, distribution and labour organisation in Cambodia, 19th Congress of the Indo-Pacific Prehistory Association Hanoi, Vietnam. November 29 to December 5.
- 2006 *Conference Organizer and Session Chair*. Angkor: Landscape, City, and Temple Conference, University of Sydney. July 17-21.
Session Organizer and Chair. Cambodian Archaeology Session. Indo-Pacific Prehistory Association conference, Manila, Philippines. March 20-26.
- 2005 *Conference Organizer*. Khmer Symposium, University of Sydney, Sydney. July 19-20.
Session Organizer. Space and time, water and mud: New developments in the reconstruction of cultural landscapes in Southeast Asian archaeology Society of American Archaeology Meetings, Salt Lake City, Utah, USA. March 30-April 3.
- 2004 *Conference Session Chair*. 5th Association of Pacific Rim Universities Doctoral Students Conference, University of Sydney, Sydney, Australia. August 11.
- 1994 *Conference Organizer*. 26th Chacmool Archaeological Conference, University of Calgary, Canada, December 1993 to November.

INVITED LECTURES

2023 *Angkor's 'Second City'? Iron production, Buddhism, and Urban Identity at Preah Khan of Kompong Svay, Cambodia (9th to 13th centuries AD).* Invited talk at the AIA-Rockford Symposium Series, Rockford, IL. November 2, 2023.

Recognizing Angkor's 'Second City': Technology, Religion, and Urban Identity at Preah Khan of Kompong Svay, Cambodia (9th to 13th centuries AD). Invited talk to the Department of Anthropology Brown Bag Series, University of Wisconsin, Madison, WI. October 13, 2023

How did the Khmer build Angkor Wat? Invited lightning talk in the Politics, Aesthetics and Culture Session for LAS Research Day, University of Illinois at Chicago, Chicago, IL. April 21, 2023.

2022 *The Two Buddhist Towers: Understanding the Development of Preah Khan of Kompong Svay (Bakan).* **Mitch Hendrickson**, Christian Fischer, Julia Estève, Dominique Soutif, Phon Kaseka, Cristina Castillo, Quan Hua, & Damian Evans. Invited talk at the 30th Anniversary of the Re-Opening of the EFEO Centre (Siem Reap). Online December 12, 2022.

2021 *Iron and the Second City: Technological interaction, smelting communities and religion in the expansions of Angkor, Cambodia (9th to 13th centuries C.E.).* Invited talk in the President's Plenary Session the Archaeological Association of America. Chicago, IL. Online. January 8, 2021.

2019 *The Industries of Angkor Project. Results from Tonle Bak.* Ministry of Culture and Fine Arts Workshop Phnom Penh, Cambodia. May 30, 2019

2018 *Steely Places and Angkorian Spaces? Conceptualizing the rise of the Khmer Empire (11th to 13th c. CE), Cambodia.* Invited talk at the Center for Southeast Asia Studies, Northern Illinois University, DeKalb IL. October 26, 2018.

How did Angkor become Angkor? Conceptualizing the rise of the Khmer Empire (9th to 15th c. CE), Cambodia. Invited talk to the Center for Southeast Asia Studies and Department of Anthropology Brown Bag Series, University of Wisconsin, Madison, WI. October 19, 2018.

Steely Places and Angkorian Spaces? Conceptualizing the rise of the Khmer Empire (11th to 13th c. CE), Cambodia. Invited talk at the Department of Anthropology, University of Toronto, Toronto, ON, Canada. March 16, 2018.

2017 *The Industries of Angkor Project: Results of archaeological research 2009-2017.* Invited presentation at the Royal Academy of Cambodia, Phnom Penh, Cambodia. December 15, 2017.

Sparks and Needles: New perspectives on the processes and paradigms of state expansion during the medieval Angkorian Period, Cambodia. Brown Anthropology Department Colloquium. Brown University, Providence, RI, USA. November 3, 2017.

2016 *The Two Buddhist Towers Project: Multidisciplinary investigation of religious and community change during the Angkorian period (11th to 16th c. CE) at Preah Khan of Kompong Svay, Cambodia.* Invited lecture for the Brown Bag Talk Series, Department of Anthropology, University of Illinois at Urbana-Champaign, February 18, 2016. <https://www.youtube.com/watch?v=-dYMBRgPaRQ>

2015 *Iron, God-Kings and 'Invisible Others': Multidisciplinary investigation of industrial production and consumption on the edge of the Angkorian Khmer Empire, Cambodia.* Invited lecture for the Brown Bag Talk Series, Department of Anthropology, University of Wisconsin Madison. May 1, 2015.

2013 *Tracking the Rise of Angkor from the Edge of Empire: Recent investigations by the Industries of Angkor Project at Preah Khan of Kompong Svay (Preah Khan), Cambodia.* Invited talk given at the Center for Southeast Asian Studies, Northern Illinois University, DeKalb. September 20.

The Industries of Angkor Project: Investigating the role of iron production in the expansion and decline of the Khmer Empire (11th to 15th centuries CE), Cambodia. Invited talk at the Archaeological Society of Alberta, Calgary, Canada. January 16, 2013.

2012 *On the Edge of Empire: Generating new perspectives on the Angkorian Khmer (9th to 15th c. CE) from the regional centre of Preah Khan of Kompong Svay, Cambodia.* Invited talk at the Armour Seminar Series, The Field Museum, Chicago, IL. March 7, 2012

CONFERENCE PRESENTATIONS AND SEMINARS

2023 *Why Stop Smelting Here? Using the history of a slag concentration to understand variability in Angkorian iron production sites across the Phnom Dek metallurgical landscape, Cambodia.* World of Iron Conference at 10. Nairobi, Kenya. Paper accepted but not given. November 2023.

Us v. Them? Looking for Urban Identities in Premodern States and Empires. Weekly Afternoon Anthropology Talk Series. UIC, October 9, 2023.

The Power of Pyrotechnologies: Ceramic, iron and bronze in the rise of the Angkorian Khmer Empire, Cambodia (9th to 14th c. CE). 88th SAA Meeting, Portland, OR. March 31, 2023.

2022 *Living on the 'Edge' of Empire: A Scalar Comparison of Angkorian Settlement Patterns at Preah Khan of Kompong Svay and the Phnom Dek metallurgical landscape (11th to 13th c. CE).* **Mitch Hendrickson**, Cristina Castillo, Dominique Soutif, Phon Kaseka, Julia Estève and Damian Evans. 22nd Congress of the Indo-Pacific Prehistory Association, Chiang Mai, Thailand. November 12, 2022.

Production and Distribution of Iron in the Angkor Kingdom: Evolution of Technical Practices and Networks Between Smelters and Consumers (9th - 15th c.). Stéphanie Leroy, **Mitch Hendrickson**, Enrique Vega, Emmanuelle Delque-Kolic. 22nd Congress of the Indo-Pacific Prehistory Association, Chiang Mai, Thailand. November 9, 2022.

The Second City of Angkor: Investigating Urbanism, Buddhism and Technological Practices at Preah Khan of Kompong Svay, Cambodia (11th to 13th c. CE). **Mitch Hendrickson**, Christian Fischer, Julia Estève, Dominique Soutif, Stéphanie Leroy, Cristina Castillo, and Phon Kaseka. 87th SAA Meeting, Chicago, IL. April 2, 2022.

Following the Recipe: Using pXRF to track the evolution of iron smelting practices during the rise and fall of the Angkorian Khmer Empire, Cambodia (7th to 20th centuries). Stéphanie Leroy, Mitch Hendrickson, Enrique Vega, Quan Hua. 87th SAA Meeting, Chicago, IL. April 2, 2022.

2021 *A Brief History of Angkor's Iron: Reconstructing multi-scalar chronologies in the Phnom Dek metallurgical landscape, Cambodia.* Mitch Hendrickson, Dr. Quan Hua, Dr. Shuhui Cai, Dr. Lisa Tauxe, Dr. Stéphanie Leroy, Kaseka Phon. 15th International Conference on Accelerated Mass Spectrometry, ANSTO, Sydney, Australia (online). November 15, 2021.

Iron Scales: Reconstructing the history and organization of Angkorian iron smelting around Phnom Dek, Cambodia (9th to 15th c. CE). Mitch Hendrickson, Stephanie Leroy, Enrique Vega and Quan Hua. 86th SAA Meeting, San Francisco, CA (online). April 15, 2021

2019 *The Bagan Iron Project: Preliminary Results of the first intensive study of iron production in the Bagan region, Myanmar (11th to 20th c. CE).* Kalayar Myat Myat Htwe, U Phyo Pyae Ko Ko, Pir Venunan, Mitch Hendrickson, Stéphanie Leroy, Bob Hudson, T. Oliver Pryce. 3rd SEAMEO SPAFA International Conference on Southeast Asian Archaeology, Bangkok, Thailand. June 20, 2019.

2018 *Iron smelting, community and ritual during the time of Angkor. New insights from the Tonle Bak site, Cambodia.* **Mitch Hendrickson**, Stéphanie Leroy, Cristina Castillo, Quan Hua and Phon Kaseka. 21st Congress of the Indo-Pacific Prehistory Association, September 28, 2018 Hue, Vietnam.

Space, the Iron Frontier...Production, Spatial Organization and Historicity of Iron Metallurgy within the Angkorian Khmer Empire, Cambodia (9th to 15th c. CE). Mitch Hendrickson, Stéphanie Leroy, Quan Hua, Phon Kaseka and Enrique Vega. 83rd SAA Meeting, Washington, DC. April 13, 2018

2017 *The spark and the needle or, how to use complexity economics to determine the cause(s) of state expansion(s)*. 50th Annual Chacmool Conference. University of Calgary, Calgary, AB, Canada. November 10, 2017.

Houses of the Holy crap! Results of recent fieldwork on iron, community and religion at the Tonle Bak site, Cambodia. “Fresh Outta Field” Brown Bag Talk, University of Illinois at Chicago, Chicago, IL, USA. April 12, 2017.

The Industry of Empire: Investigating the spatial and technological organization of Angkorian iron production around Phnom Dek, Cambodia. Mitch Hendrickson, Stéphanie Leroy, Enrique Vega and Quan Hua. Presentation given at the 82nd SAA Meeting, Vancouver, BC. April 1, 2017.

Finding Buddha: Hi-tech approach to the study of Buddhist transition at the Angkorian center of Preah Khan of Kompong Svay, Cambodia (10th to 16th c. CE). Christian Fischer and Mitch Hendrickson. Invited presentation for the National Geographic sponsored session at the 82nd SAA Meeting. Vancouver, BC, March 30, 2017.

Palimpsests of Empire: An archaeological view of the expansion of medieval Angkor, Cambodia. “The Palimpsestic Past and Present of Southeast Asia”. Keynote speech given at the University of Washington Southeast Asia Center Graduate Student Conference, University of Washington, Seattle, March 23, 2017.

The Industries of Angkor Project. Summary of Research 2009-2016. Ministry of Culture and Fine Arts Workshop Phnom Penh, Cambodia January 24, 2017.

2016 *Holy crap! Results of recent field research on the industrial landscape surrounding the ‘Iron Mountain’, Cambodia (10th to 20th c. CE)*. “Fresh Outta Field” Brown Bag Talk, University of Illinois at Chicago, April 28, 2016.

The Two Buddhist Towers: Recent field research on religious and community change during the Angkorian period (11th to 16th c. CE) at Preah Khan of Kompong Svay, Cambodia. “Fresh Outta Field” Brown Bag Talk, University of Illinois at Chicago, February 24, 2016.

2015 *Iron and the Khmer empire (9th to 15th c.): a multidisciplinary (sourcing and dating) approach to evaluate the iron procurement during the Angkorian period*. Co-presenter with Stéphanie Leroy, Philippe Dillmann, Emmanuelle Delque-Kolic, Enrique Vega at the 15th International Conference of the European Association of Southeast Asian Archaeologists, Université Paris Ouest Nanterre la Défense. July 10, 2015.

The Two Buddhist Towers: Multidisciplinary evaluation of Buddhist transition at the Khmer regional centre of Preah Khan of Kompong Svay (11th to 16th c. CE). Co-presenter with Julia Estève, Dominique Soutif, Christian Fischer, Cristina Castillo and Phon Kaseka at the 15th International Conference of the European Association of Southeast Asian Archaeologists, Université Paris Ouest Nanterre la Défense. July 7, 2015.

The Two Buddhist Towers: Multidisciplinary evaluation of Buddhist transition at the Khmer regional centre of Preah Khan of Kompong Svay (11th to 16th c. CE). Co-presenter with Julia Estève, Dominique Soutif, Christian Fischer, Cristina Castillo and Phon Kaseka at The Emergence of Theravada Buddhism in Cambodia: Southeast Asian Perspectives Symposium, School of Oriental and Asian Studies, London, UK. July 3, 2015.

Industries of Angkor Project: Recent Progress. Lecture given to University of Sydney Interdisciplinary Field School at the Robert Christie Research Center, Siem Reap Cambodia. January 8, 2015.

2014 *Digitizing Nodes of a Hydraulic Empire: Investigating the distribution of medieval Angkorian Khmer water tanks as a marker of settlement history using GoogleEarth*. Chacmool Conference, University of Calgary. November 8, 2014.

Iron and the Khmer Empire, Cambodia (9th to 15th c.): first study on the sourcing and dating of iron construction materials of Angkor. Stéphanie Leroy, M. Hendrickson, E. Delqué-Količ, E. Vega and

Philippe Dillmann. International Symposium on Archaeometry 2014, Los Angeles, California. May 20, 2014

Industry beyond Angkor: Investigations of an iron production landscape on the eastern edge of the Khmer Empire. Indo-Pacific Prehistory Association Congress, Siem Reap, Cambodia. January 14, 2014.

New data on the sourcing and dating of iron construction materials of Angkor. Stéphanie Leroy, M. Hendrickson, E. Delqué-Količ, E. Vega and Philippe Dillmann. Indo-Pacific Prehistory Association Congress, Siem Reap, Cambodia. January 14, 2014.

2013 *To build or not to build? Road networks as anomalies in historic mainland Southeast Asia.* Invited paper for the “Travelscapes Case Studies of Terrestrial Human Movement” session at the 46th Chacmool Archaeology Conference, University of Calgary. November 7-9, 2013.

Adventures in the Wild, Wild East: Recent progress of the Industries of Angkor Project. Talk given at the Robert Christie University of Sydney Research Centre, Siem Reap, Cambodia, June 6, 2013.

Fusing Scissors, Paper and Rock: An archaeological investigation of the metallurgy, text and masonry histories at the Angkorian Khmer complex of Preah Khan of Kompong Svay, Cambodia. Presentation at the 78th Society for American Archaeology Meetings in Honolulu, USA. April 5, 2013.

Dating the end of Industry? Assessing the history of iron production within the Angkorian period centre of Preah Khan of Kompong Svay, Cambodia. Invited talk at the Recent Advances in the Archaeology of East and Southeast Asia Conference, University of Wisconsin at Madison, Madison. March 16, 2013.

The Hydraulic Nodes of Empire: Examining the cultural significance of artificial water tanks within the 6th to 15th c. Khmer landscape, Cambodia. Invited talk at Work in Progress: the Field Museum Anthropology Lecture Series, Field Museum, Chicago. January 28, 2013.

2012 *Drawing back the iron curtain on the role of upland populations in the Angkorian economy.* Co-author with Thomas Oliver Pryce, Stéphanie Leroy, Emmanuelle Delqué-Količ, Philippe Dillmann. Presentation given at the 14th International Conference of the European Association of Southeast Asian Archaeologists in Dublin, Ireland, September 21, 2012.

Historical Archaeology at the Edge of Empire: The Industries of Angkor Project at Preah Khan of Kompong Svay. Co-author with Quan Hua, Damian Evans and Phon Kaseka. Presentation given at the 14th International Conference of the European Association of Southeast Asian Archaeologists in Dublin, Ireland, September 20, 2012.

Re-Constructing the City of Fire and Iron: Stone material analysis and conservation issues at Preah Khan Kampong Svay, Cambodia. Co-author with Esther von Plehwe-Leisen and Hans Leisen. Presentation to be given at the 14th International Conference of the European Association of Southeast Asian Archaeologists in Dublin, Ireland, September 20, 2012.

The Hydraulic Nodes of Empire: Examining the cultural significance of artificial water tanks within the 6th to 15th c. Khmer landscape, Cambodia. Invited presentation at the 77th Society for American Archaeology Meetings, Memphis, USA, April 21, 2012.

2011 *Does size really matter? Evaluating form within the design horizons of Chihuahuan polychrome ceramics.* Presentation at the 44th Annual Chacmool Conference, Calgary, Canada, November 12, 2011.

From the Roads of Angkor to the Products of Empire: Recent Research by the Industries of Angkor Project at Preah Khan of Kompong Svay (Bakan). Presentation at ‘Angkor and its Global Connections Conference’, Siem Reap, Cambodia, June 11, 2011.

Industries of Angkor Project: Recent research at Preah Khan of Kompong Svay (Bakan). Presentation at the Ministry of Culture and Fine Arts, Phnom Penh, Cambodia, June 8, 2011.

The Industries of Angkor Project: Investigating the history and significance of iron smelting at Preah Khan of Kompong Svay. Presentation at Archaeometallurgy in Cambodia: Current Research and Future Prospects Conference, CKS and EFEO, Siem Reap, Cambodia, March 5 2011.

2010 *Tales of Two Cities: Preliminary results of the Industries of Angkor Project, Preah Khan of Kompong Svay (10th to 15th centuries AD), Cambodia.* Presentation at Oxford University, United Kingdom, October 14, 2010.

Industries of Angkor Project: Roads, resources and the role of specialised centres in the Khmer Empire (9th to 15th centuries CE). Presentation at Institute of Archaeology, University College London, London, United Kingdom, October 7, 2010.

Stones of the God-Kings? Recent Investigations of the Industries of Angkor Project at Preah Khan of Kompong Svay, Cambodia (10th to 16^{c.} CE). Presentation at School of Oriental and African Studies, London, United Kingdom, October 6, 2010.

Industries of Angkor Project: Deconstructing the industrial and settlement histories of Preah Khan of Kompong Svay, Cambodia. Presentation at the 13th International Conference of the European Association of Southeast Asian Archaeologists in Berlin, September 27 to October 1, 2010.

Khmer transport and empire: an archaeo-lexical approach. Co-presenter with Eileen Lustig at the 13th International Conference of the European Association of Southeast Asian Archaeologists in Berlin, September 27 to October 1, 2010.

It's the little things that count: A pilot study into the sourcing of Angkorian Khmer iron. Presentation at the Angkor Research Symposium, University of Sydney, Australia, August 10, 2010.

Mighty mounds, magic swords and the race to recover knowledge of Cambodia's historic iron production. Recent fieldwork conducted by the Industries of Angkor and Iron Kuy Projects. Presentation at the Angkor Research Program Talks, University of Sydney, Australia, June 2, 2010.

Deconstructing the City of Fire and Iron: Preliminary results of the Industries of Angkor Project, Preah Khan of Kompong Svay, Cambodia. Presentation at the University of Wisconsin, Madison, USA, March 15, 2010

Deconstructing the City of Fire and Iron: Preliminary results of the Industries of Angkor Project, Preah Khan of Kompong Svay, Cambodia. Presentation at the University of Illinois at Chicago, Chicago, USA, March 10, 2010

Any Old Iron: Recent research on Angkorian and historic iron metallurgical technologies, Cambodia. Presentation at the University of Sydney Archaeology Display Case Talk Series, University of Sydney, Australia, April 16, 2010

2009 *Industries of Angkor Project: Settlement and Iron Production at Preah Khan of Kompong Svay (Bakan).* Presentation at the 5th Conference of the Asian Research Centre: Cultural Industries, Siem Reap, Cambodia, Dec 17, 2009

Revised Chronology of the Angkorian Road System. Presentation at the University of Sydney Cambodian Research Seminar, Siem Reap, Cambodia, Dec 6, 2009

Industries of Angkor Project: Settlement and Iron Production at Preah Khan of Kompong Svay (Bakan). Presentation at the 19th IPPA Conference, Hanoi, Vietnam, Dec 1, 2009

Secrets of the Stones: Investigation of sandstone temples from Preah Khan of Kompong Svay (Bakan). Presentation with Hans Leisen, Esther von Plehwe-Leisen, and Sam Player at the 19th IPPA Conference, Hanoi, Vietnam, Dec 1, 2009

Investigating the City of Fire and Iron: Preliminary results of the Industries of Angkor Project, Preah Khan of Kompong Svay, Cambodia. Presentation at the Australia National University, October 23, 2009.

Industries of Angkor Project: Multidisciplinary investigation of the history of production and settlement at Preah Khan of Kompong Svay, Cambodia. Presentation at the Prehistoric and Historic Archaeology Research Seminars, University of Sydney, Australia, September 18, 2009

The Angkorian Dharmasala(?) Project: Investigation of Temples, Semantics and Settlement along the Khmer Road System. Presentation at the Angkor Research Program Talks, University of Sydney, Australia, August 12, 2009.

Producing Angkor: The Spatial, Material and Cultural Generation of the Khmer Empire. Presentation at the Smithsonian Freer and Sackler Gallery, Washington D.C., USA, June 16, 2009.

The Angkorian Dharmasala Project: Multidisciplinary Investigation of settlement and function of Khmer resthouse temples (12th to 13th c. CE). Presentation at the American Council of Learned Societies/Henry Luce Foundation Early Career Research Workshop, Tarrytown, NY, USA, June 13, 2009.

2008 *Location, Location, Location! Transport, settlement and resource procurement models in Angkorian Southeast Asia.* Presentation at the 73rd Society of American Archaeology meetings, Vancouver, British Columbia, Canada, March 28, 2008.

Lights at the Inn? Investigating Settlement around the Angkorian Khmer Resthouse Temples. Presentation to the Chacmool Noon Hour Lecture Series, Department of Archaeology, University of Calgary, Alberta, Canada. March 25, 2008.

2006 *Point Break Angkor: Transportation, settlement and geography in the Angkorian world.* Paper presented at Angkor: Landscape, City and Temple Conference, University of Sydney, Australia, July 20, 2006.

Rivers of the Angkorian Khmer: Settlement, transportation and navigability. Co-author with Matti Kummu of paper presented at the Indo-Pacific Prehistory Association conference, Manila, Philippines, March 22, 2006.

Geophysical applications on the Angkor Plain. Co-author with Sam Player, Chris Vanags and Roland Fletcher of paper presented at Indo-Pacific Prehistory Association conference, Manila, Philippines, March 22, 2006.

The Spaces Between Places: A GIS analysis of settlement and transportation in the medieval Khmer period (9th to 14th centuries AD). Presentation at the GIS Mini Symposium, Spatial Sciences Innovation Unit, University of Sydney, Australia, February 18, 2006.

2005 *The Road Most Travelled? Research on the development of communication routes in the medieval Khmer heartland.* Presentation at the Khmer Symposium, University of Sydney, Australia, July 19-20, 2005.

Connecting the Dots: Investigating the issue of transportation between the temple complexes of the medieval Khmer (9th to 14th centuries AD). Paper presented at Old Myths, New Approaches. Monash Asian Institute, Melbourne, Australia, July 13-15, 2005.

Caution - Roadwork Ahead: Reconstruction and deconstruction of the archaeology of the Khmer road network. Paper presented at the 70th Society of American Archaeology meetings, Salt Lake City, Utah, USA. April 2.

Much to Do About Roads: Recent approaches to the study of the Angkorean transportation network. Presentation given to the École Française d'Étreme Orient, Siem Reap, Cambodia. February 8, 2005.

2004 *Mind the Gap: The archaeology of transportation and urban sprawl at Angkor, Cambodia.* Presentation to the Chacmool Noon Hour Lecture Series, Department of Archaeology, University of Calgary, Alberta, Canada. November 9, 2004.

Elephants, Buffaloes and Oxen... Oh, My!! Using GIS to clock speed and gauge cultural mobility along the medieval Khmer road system. Paper presented at the 2nd Transport, Traffic and Mobility History Association Conference, University of Michigan at Dearborn, Michigan, USA. November 6, 2004.

Straight as a Khmer Road? Mapping and analysis of the medieval Khmer road network. Paper presented at the 'Ancient Sites, Modern Maps: Remote Sensing and GIS Applications in Archaeology' symposium at the University of California at Berkeley, California, USA, October 30, 2004.

New Routes for Rooting out Roads: Distant and electronic approaches to studying the medieval Khmer road network. Paper presented at the 'Ancient Sites, Modern Maps: Remote Sensing and GIS Applications in Archaeology' symposium at the University of California at Berkeley, California, USA October 29, 2004.

A View from Afar: Using Remote Sensing to Gain Perspective on the Medieval Khmer Road Network. Paper presented at the 5th Annual Association of Pacific Rim Universities Doctoral Students Conference, University of Sydney, Australia, August 12, 2004.

Dromology, or how to make good use of the medieval Khmer road network. Research design presented to the Prehistoric and Historical Archaeology Seminars, University of Sydney, Australia, June 4, 2004.

2003 *Finding the Road to Bree: Initial perspectives on the use of remote sensing for the study of the ancient Khmer road network.* Paper presented at the Pacific Neighbourhood Consortium Conference, Bangkok, Thailand, November 2003.

2000 *The Macaw and the 'P': Origins and Development of Two Motifs in the Chihuahuan Polychrome Tradition.* Paper presented at "Art for Archaeology's Sake", the 33rd Chacmool Archaeology Conference, University of Calgary, Alberta, Canada, November 10, 2000.

'Aye Chihuahua': Style and the Search for Small Little Dogs. Presentation given to the Chacmool Noon Hour Lecture Series, Department of Archaeology, University of Calgary, Alberta. Canada, October.

1999 *A Preliminary Report on a Stylistic Study of Chihuahuan Culture Whole pots from Museum Collections.* Paper presented at the 2nd Conferencia de Arqueología de la Frontera, "La Cerámica de Chihuahua", Casas Grandes, Chihuahua, Mexico.

POSTER PRESENTATIONS

Poster Presentations

2018 *First constraint on historical geomagnetic secular variation in Cambodia, Southeast Asia.* Rashida Doctor, Shuhui Cai, Lisa Tauxe, **Mitch Hendrickson**, Quan Hua, Brendan Cych, Presented at AGU Fall Meeting, December, Washington D.C., USA.

2017 *First archaeointensity results during historical period from Cambodia, Southeast Asia.* Justin Higa, Shuhui Cai, Lisa Tauxe, and **Mitch Hendrickson**. Presented at AGU Fall Meeting, December, Washington D.C., USA.

2013 *Dating the end of iron production within the medieval city of Preah Khan of Kompong Svay, Cambodia,* Quan Hua and **Mitch Hendrickson**. Presented at The 7th International Symposium on Radiocarbon and Archaeology, 8-12 Apr 2013, Ghent, Belgium.

2012 *Dating the end of industry? Using in-slag charcoals as an indicator of terminal iron production within the medieval city of Preah Khan of Kompong Svay, Cambodia.* **Mitch Hendrickson** and Quan Hua. Presented at the 21st International Radiocarbon Conference, Paris, France. July 9th to 13th, 2012.

2010 *The Iron Kuay Project.* T. Oliver Pryce, **Mitch Hendrickson** and Sovichetra Chan. Poster presented at the 13th International Conference of the European Association of Southeast Asian Archaeologists in Berlin, September 27 to October 1, 2010.

2004 *The Road to God Knows Where: Finding religion with science along the ancient Khmer road network.* Poster presented at the American Anthropological Association meeting, Atlanta, Georgia, USA, December 4th-8th, 2004.

TEACHING

Courses Taught (*indicates new course prep at UIC)

Technology, Society and the Past, Archaeology of Mainland Southeast Asia; *Introduction to Archaeology; *Writing Culture; *Ancient Technologies; *Archaeology of Buddhism; *Problem Solving in Archaeology; *Archaeological Landscapes and Environments; *Angkor and the Khmer Empire; *Archaeology of States, *Grant Writing, *Method and Theory in Archaeology, *Thinking Like an Anthropologist, Graduate Professional Practice Part 1

Student Mentorship*PhD Student Committees**Current*

Maria Isabel Guevara Duque, UIC, committee chair, 2023-present (2021-2023, committee member)
 Danielle Silverman, UIC, committee chair, 2021-present
 Aldo Foe, UIC, committee chair, 2018-present (2016-2018, committee member)
 Kendall Hills, UIC, committee chair, 2014-present
 Corey Bowen, UIC committee chair, 2023-present; committee member, 2020-2023
 Doyeon Shin, UIC, prelim committee member, 2022-present
 Rosa Varillas Palacio, prelim committee member, 2020-present
 Susan Monge, UIC, prelim committee member, 2020-2021
 Alexandra Ribeny, ANU, committee member, 2019-present
 Cyrus Banikazemi, UIC, prelim committee member, 2019-2021; committee member, 2021-present
 Colin Lejeune, UIC, committee member, 2017-present
 Aikaterina Psoma, UIC, committee member, 2017-present
 Alexandra DeLeon, UIC, committee member, 2013-present

Graduated

James Meierhoff, UIC, committee member, 2012-2023 - PhD
 Rory Dennison, UIC, committee member, 2017-2022 - PhD
 Wenpeng Xu, UIC, committee member, 2017-2021 - PhD
 Elizabeth Grávalos, UIC, committee member, 2016-2021 - PhD
 Michael Canilao, UIC, Thesis committee member, 2015-2018 - PhD
 Rebecca Seifried, UIC, Thesis committee member, 2013-2016 - PhD
 Dylan Lott, UIC, Thesis committee member, 2016 - PhD
 Jennifer Newton, James Cook University, Australia, Thesis examiner, 2014 - PhD

Undergraduate Advising

Michael Colton, UIC, Honors College mentor 2023-present
 Kaleb Garden, UIC, Honors College mentor 2021-23
 Brittani Howard, UIC, Honors College mentor 2021-2022
 Faith Thrun, UIC, Honors College mentor 2020-22
 Simone McDaniels, UIC, Honors College mentor 2017-20
 Sankhya Amaravadi, UIC, Honors College mentor 2014-2017
 Renee Ronzone, UIC, Honors College mentor 2014-15
 Stephanie Lear, UIC, mentor Liberal Arts and Sciences Undergraduate Research Initiative award recipient, 2013-2014

Visiting PhD Students

Patcharaporn Ngermkerd, Silpakorn University, Thailand, mentor, Sept 2023-March 2024

ACADEMIC SERVICE AND PROFESSIONAL

Service to the Discipline

Committee Member, Annual Meeting Program Committee, Society for American Archaeology, 87th Annual Meeting, Sept-Oct 2021

Professional Service

Exhibit Consultant, "Death: Life's Mystery" Exhibit, The Field Museum of Natural History, Chicago, Illinois, April 2020 to October 2022.

University Service

Graduate Awards Committee, College of Language, Arts and Sciences. August 2023 to May 2026.

Director of Graduate Studies, Department of Anthropology, University of Illinois at Chicago, May 2020 to present

FIELD EXPERIENCE

-
- 2023 Tallgrass Prairie Archaeological Project. (Field Museum/U of Illinois at Chicago), Wilmington, Illinois. (May 2023).
 • Co-Investigator. Excavation at Prairie Creek Site. Survey, shovel testing at Prairie Creek Site.
- 2022 Midwin Archaeological Landscape Project. (Field Museum/U of Illinois at Chicago), Wilmington, Illinois. (May 2022).
 • Co-Investigator. Survey, shovel testing, magnetometry at Prairie Creek Site.
- 2021 Midwin Archaeological Landscape Project. (Field Museum/U of Illinois at Chicago), Wilmington, Illinois. (October 2021).
 • Co-Investigator. Survey and shovel testing at Prairie Creek Site.
- 2019 Investigating the role of strategic resources in the rise and fall of the Kingdom of Bagan 9th -14th. (Mandalay University/CNRS/Silpakorn University/U of Illinois at Chicago), Bagan Myanmar (Feb 2019).
 • Co-Investigator. Excavation and survey of iron production sites.
- 2018 *Industries of Angkor Project* (U of Illinois at Chicago), Banteay Meanchey and Battambang, Cambodia (June 2018)
 • Principle Investigator. Architectural analysis.
- 2017 *Industries of Angkor Project* (U of Illinois at Chicago), Phnom Dek, Preah Vihear, Cambodia (January-February 2017)
 • Principle Investigator. Excavation, site survey, mapping.
- 2016 *Industries of Angkor Project* (U of Illinois at Chicago), Phnom Dek, Preah Vihear, Cambodia (March 2016)
 • Principle Investigator. Site survey and surface collection.
Two Buddhist Towers Project (U of Illinois at Chicago/EFEO/UCLA/UCL), Preah Vihear province, Cambodia (January 2016)
 • Co-Principle Investigator: Excavation, site survey, mapping
- 2015 *Two Buddhist Towers Project* (U of Illinois at Chicago/EFEO/UCLA/UCL), Preah Vihear province, Cambodia (January-February 2015)
 • Co-Principle Investigator: Excavation, site survey, mapping
- 2013 *Industries of Angkor Project* (U of Illinois at Chicago), Phnom Dek, Preah Vihear, Cambodia
 • Principle Investigator. Site survey and surface collection.

- 2011 *Industries of Angkor Project* (U of Sydney), Preah Vihear province, Cambodia (June 2011)
- Principle Investigator. Site survey.
- 2010 *Industries of Angkor Project* (U of Sydney), Preah Vihear province, Cambodia (November-December 2010)
- Principle Investigator. Excavation of iron production sites and topographic survey.
- Iron Kuay Project (Oxford University, U of Sydney)*, Preah Vihear province, Cambodia (February 2010)
- Co-investigator with T. Oliver Pryce. Excavation of historic iron production sites in Rovieng district, survey and topographic survey and ethnographic interviews
- 2009 *Industries of Angkor Project* (U of Sydney), Preah Vihear province, Cambodia (December 2009)
- Principle Investigator. Survey, excavation of Angkorian period furnace, wet sediment coring, topographic survey
- Industries of Angkor Project* (U of Sydney), Preah Vihear province, Cambodia (March 2009)
- Principle Investigator. Survey of iron production loci and topographic survey,
- Industries of Angkor Project* (U of Sydney), Preah Vihear province, Cambodia (January-February 2009)
- Principle Investigator. Survey, Ground-Penetrating Radar survey, magnetic susceptibility analysis, topographic survey, coring
- 2008 *Angkorian Dharmasala Project* (U of Calgary), Siem Reap province, Cambodia (January/March 2008)
- Principle Investigator. Excavation, field survey, ceramic analysis, Ground-Penetrating Radar survey, coring
- 2007 *Greater Angkor Project* (U of Sydney), Siem Reap, Cambodia (January 2007)
- Independent PhD field research. Excavation, field survey, ceramic analysis
- 2006 *Greater Angkor Project* (U of Sydney), Siem Reap, Cambodia (January-February 2006)
- Independent PhD field research. Field survey, excavation of road embankment site, ceramic analysis
- 2005 *Greater Angkor Project* (U of Sydney), Siem Reap, Cambodia (January-February 2005)
- Independent PhD field research. Field survey, excavation of road embankment site, ceramic analysis, Ground-Penetrating Radar survey
- 2004 *Greater Angkor Project* (U of Sydney), Siem Reap, Cambodia and Thailand (December 2003-February 2004)
- Independent PhD field research. Ground and aerial site survey, GPS surveys, excavation
- 2002 *Little Bow Archaeological Project* (Fedirchuk McCulloch and Associates Ltd.), Vulcan, Alberta, Canada (May-November 2002)
- Senior field Crew member. Excavation of Protohistoric and Prehistoric Plains sites
- 2001 *Little Bow Archaeological Project* (Fedirchuk McCulloch and Associates Ltd.), Vulcan, Alberta, Canada (July-August 2001)
- Senior field Crew member. Excavation of Protohistoric and Prehistoric Plains sites
- 2001 *Lower Mekong Archaeological Project* (U of Hawaii), Angkor Borei, Cambodia (January-February 2001)
- Field Crew member. Led topographic mapping of pre-Angkorian period *baray* reservoir
- 1999 *Proyecto Arqueológico de Chihuahua*, Chihuahua, Mexico (May-July 1999)
- Senior Field Crew member. Excavation of Viejo period pithouse village, construction of site map and regional site surveys
- 1998 *Proyecto Arqueológico de Chihuahua*, Chihuahua, Mexico (June-July 1998)
- Senior Field Crew member. Excavation of several Viejo period sites, topographic mapping and site surveys
- 1995 *Tuscany Field School*, Calgary, Alberta, Canada (August 1995)
- Field Crew member. site profile drawing at prehistoric Plains Indian site
- 1994 *DeBlicquy site*, Bathurst Island, NWT, Canada (June-August 1994)
- Field Crew member. Intensive (hand) mapping of Thule whalebone culture winter village houses and crew chef
- 1992 *Fort Calgary Historic Site*, Calgary, Alberta, Canada (May-June 1992)
- Field school. Practiced all basic archaeological techniques, primarily excavation, mapping, artifact cleaning, sorting and analysis, Bobcat excavation, photography
